Subject: HEC Approved PhD Supervisor

Dear Dr. Hashim Raza Khan,

We are pleased to inform that you have been awarded the status of HEC Approved PhD Supervisor in the discipline of Engineering & Technology, for a period of three (03) years. Your name with relevant information will be published on HEC website under 'Approved Supervisors' section. You can supervise a total of twelve (12) MS/MPhil/PhD students at a time, out of which not more than five could be PhD students (HEC-Non HEC both). Furthermore, as a supervisor you can supervise a PhD/MS/M.Phil./Equivalent research work only if you have a minimum three (03) years of relevant teaching/research/professional experience after getting PhD Degree.

Your key responsibilities include the following:

- Provide academic guidance and practical support to the scholar.
- Ensure timely completion of the scholar's degree (especially HEC Scholars).
- In the case of any change (e.g. university/department/ contact information /research publication/research projects) please update your profile immediately and inform HEC.

Supervisor plays a significant role to guide students in the selection of their area of research. He/she identifies specific requirements of PhD study such as substantive, theoretical, philosophical or methodological. The general doctoral and disciplinary training are also provided to the scholar.

Your's Sincerely,

Saima Naureen

Dr. Hashim Raza Khan,
Assistant Professor,
Electronic Engineering,
NED University of Engineering & Technology, Karachi,
Electronic Engineering Department, University Road
